

**Aeronautical Telecommunication Network Panel (ATNP)**  
**Working Group 2**  
**Rio de Janeiro, Brazil**  
**16-19 March 1998**

**WG1 Materials on Security**

**Presented by T. Calow**

WG1 of ATNP has been developing the system level requirements (Core and SV-1) for security. Updated Core and SV-1 draft materials were approved at the 11<sup>th</sup> meeting of WG1 in Rio de Janeiro. Also WG1 prepared a working paper on the proposed security related activities for WG2 and WG3 that was presented to the 8<sup>th</sup> Joint Working Group Meeting.

**Attachments:**

1. "ATN Security Provisions, Core ATN SARPs Version 2.0, draft text," WG1/WP11-15a
2. "ATN Security Provisions, SV-1 Version 2.0, draft text," WG1/WP11-14a
3. "Proposed Working Group 2, Working Group 3 Activities Related to Security," prepared by WG1, JWG WP8-05

**Introduction:**

WG1 of ATNP has been developing the system level requirements (Core and SV-1) for security. Updated Core and SV-1 draft materials were approved at the 11<sup>th</sup> meeting of WG1 in Rio de Janeiro. Also WG1 prepared a working paper on the proposed security related activities for WG2 and WG3 that was presented to the 8<sup>th</sup> Joint Working Group Meeting.

**Recommendation:**

1. WG2 is invited to review the attached ATN Core SARPs and SV-1 draft text on security and to develop security provisions for the internet communications service consistent with these draft materials.
2. WG2 is invited to review JWG WP8-05 and to provide an appropriate response to WG1 on the proposed schedule for the development of the security enhancements to SV-5.
