CNS/ATM-1 Upper Layer SARPs and Guidance Material

(Presented by Steve Van Trees)

Summary

At the WG3 meeting in Banff, WG3 tasked WG3/SG3 with completion of Subvolume IV (Upper Layers) of the CNS/ATM-1 package SARPs. WG3 empowered SG3 to progress the document to approved draft status upon completion of sections on Naming and Addressing, and Registration. The following document was completed at the first SG3 meeting in Boston.
