To: ATNP WG3 members

Attached is the draft agenda for the upcoming sixth meeting of ATNP WG3 being held in Brussels, Belgium, 15-26 April 1996. The focus of this WG3 meeting will be on the detailed review of the draft SARPs material that will be submitted to ATNP/2 by WG3. Members should submit written comments on the draft SARPs documents to the appropriate document editor (see Attachment 4 to the report of the fifth meeting of WG3) prior to the WG3 meeting. Note there will be a joint session on Tuesday afternoon, 23 April, with WG2 to discuss validation efforts and the validation related materials that will be submitted to ATNP/2 from the working groups.
